2017/1098/P	Eric Stuart	68A Neal Street London WC2H 9PA	21/03/2017 13:17:28	OBJEMAIL	<p>I strongly object to the installation of a public call box at this location.</p> <p>The proposed public call box would add to street clutter and presents a safety hazard as it obstructs the flow of pedestrian traffic in an area of high pedestrian and vehicle traffic density.</p> <p>There is no need for public call boxes in this location – existing public call boxes nearby are only used as a shield for drugdealing/using and other anti-social behaviours, and are never used for their intended purpose as virtually all UK residents and tourists carry mobile phones.</p>
2017/1098/P	Michael Graney	9 Russell Mansions 144 Southampton Row London Wc1b5aj	24/03/2017 11:36:21	OBJ	<p>I would like to object to this planning application. I have a licensed fruit stall very close to the proposed telephone box. I am extremely worried about the hygiene aspect of the telephone box. As is usual with other telephone boxes in this area it will probably be used as advertising for prostitution, a public urinal and storage of bedding for the poor homeless people. I am therefore strongly opposed to it being so close to my stall.</p>
