

48 BEDFORD SQUARE
LONDON WC1B 3DR

Proposal: REPLACEMENT OF NON-ORIGINAL FANLIGHT OVER FRONT DOOR
Application for planning permission: 2017/1449/P

The Bloomsbury Association supports this application.

We should add that the door and doorcase to 40 Bedford Square referred to by Dan Cruickshank in the Design & Access Statement is recently rebuilt, which is why it is in such good condition. It does include a much restored original lead fanlight. See application 2011/3271/P.

Is there no back-to-back application for listed building consent?
