Proposal Alterations to ground floor windows and doors and installation of new rooflight, green roof and solar panels.

Objection Yes

Observations **OBJECT**

Object to all proposed piecemeal changes, both internally and externally to this property.

Object to removal of timber cladding from the Mews Elevation.

Object to new double entrance doors and their close proximity to the existing neighbours up and over garage doors. This could be both a Health and Safety issue as well as a Fire Hazard.

In addition, these double doors and side window are too large, and out of scale with the cottage.

Object to proposed step to entrance doors which would obstruct vehicular access to existing garage.

There is no indication of the lift roof housing and its impact on the roof scape.
