Hi Rachael,

Sorry for the confusion I'm referring to detailed drawings at 1:10 and 1:5, should we email these to you?

2

Detailed drawings, or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the local planning authority before the relevant part of the work is begun:

- a) Details including sections at 1:10 and 1:5 of all new joinery and plasterwork
- b) Manufacturer's specification details of all new materials (to be submitted to the Local Planning Authority) and samples of those materials (to be provided on site).
- c) Detail and recording of historic fabric which is to be repaired and retained in-situ

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Hi Maria

I am happy to pop to site to view these along with anything else that needs assessment? Otherwise I can arrange to meet someone in reception at our offices with the samples? Sometimes things get lost in the internal post here, and as we hot desk it's very difficult for post to find us!

Many thanks,

Hi Rachael,

Regarding the conditions for listed building consent, where should we send the 1:5 & 1:10 details of joinery?

Hi Maria

Please find attached the Decision Notice's for the above approvals.

I apologise once again for the delay in getting these to you.

For our records, are you able to respond to this email to state that you agreed to the extension of time until today please? Sorry to have to ask this.

Kind regards,

Rachael Parry

Hi Rachael,

To ensure you receive the revised heritage, design and access statement I have split it into 5 files and sent them individually. Please could you advise when you have received them.

Kind Regards,

Maria Clarke
