Subject: Eileen Willmott and DPCAAC tree applications

Dear planners and tree officers,

I

I haven't been able to see all of the trees applied for recently
as certain of the applicants do not reply to my letters asking to view their trees.

[REDACTED]

List417

2017/1563/T rear garden 1 x Cherry, fell to ground. No objection as too close to the neighbour's wall and
many other trees already in the garden.

[REDACTED]

Thank you; I will try to visit more trees over the weekend, when back in London.

Eileen Willmott
