2017/1306/P	Derek & Sue John	15 Boscastle Road NW51EE NW51EE	06/04/2017 15:19:00 INT		We are the adjacent owners to no.13 Boscastle Rd and wish to object to the above proposal for a study garage to include a WC facility. The WC provision will allow the building to be used as a bed-sit/residential unit. If this is allowed it will set a precedent for many other properties in Boscastle Road and Grove Terrace to provide similar residential units at the end of their gardens. Camden has already refused an application for residential use in the Mews at no.17 Boscastle Rd which is now the subject of an appeal.
