Dear Sir/Madam,

Re: Approval of details pursuant to Condition 6 of permission 2013/6370/P -17 Goldington Crescent London NW1 1UA

We hereby submit details pursuant for the Full discharge of Condition 6 of the planning permission for the above referenced site. Condition 6 requires that:

“Prior to first occupation of the buildings, detailed plans showing the location and extent of photovoltaic cells to be installed on the building shall have been submitted to and approved by the Local Planning Authority in writing.

The measures shall include the installation of a meter to monitor the energy output from the approved renewable energy systems. The cells shall be installed in full accordance with the details approved by the Local Planning Authority and permanently retained and maintained thereafter.”

To comply with the condition we are submitting the Approved Roof Plan (Drawing no. 9033revP-04) which shows the location and extent of photovoltaic cells to be installed on the building.

The application including all supporting information and the planning application fee is submitted online under planning portal reference PP-06001238. We trust that the information submitted is sufficient to satisfy the requirements of the Condition.

Yours sincerely

Lisa Shannon
