Thank you for consulting TfL Borough Planning

The application site is located adjacent to Finchley Road, which forms part of the Transport for London Road Network (TLRN) and for which TfL is the Highway Authority. Subject to imposing the Council's standard conditions for digital ads (as per [decision notice](#) for a similar recent application ref 2017/0149/A), it is unlikely that the proposal would result in an unacceptable impact on the Transport for London Road Network in terms of driver distraction and road safety.
