Swedenborg House  
20-21 Bloomsbury Way  
London WC1A 2TH**

### **Design & Access Statement**

The property is currently used as a bookshop and offices with a caretaker's flat on the third floor; said caretaker retired in 2015 and will not be replaced with a resident caretaker.

The proposed change is to use the third floor as an office for an existing tenant within the building.

No changes are proposed to the existing site layout or access method.
