2017/1123/P	Michelle Caplan	the Garden Flat 10 Belsize Crescent Hampstead London NW3 5QU	14/04/2017 07:14:09 INT		<p>I strongly object to any planting higher than 2 meters against the boundary of the garden wall to number 10 Belsize Crescent NW3 5QU .</p> <p>The reason for this is anything higher will block the sunlight from my garden putting the whole garden in shade and affecting the light to my flat as well.</p> <p>Please do not allow any height of shrubs or trees proposed to be planted against this wall.that is my only objection.</p>
