Jennings for Bloomsbury CAAC	Flat Z 12-18 Bloomsbury Street WC1B 3QA	19/04/2017 08:29:11	OBJEMAIL	The 'existing' elevation drawings appear to exaggerate the height of the existing mansard roof and the 'proposed' appears to exaggerate the height of the existing mansard of the Dolphin Tavern. Also, any new mansard windows should be appropriately square like those of the others in the street. For these reasons we oppose the application in its present form. A.Jennings for BCAAC
