2017/1845/P	Susan Rose Chair Highgate CAAC	Heathwinds Merton Lane N6 6NA N6 6NA	13/04/2017 11:57:39	OBJ	Highgate CAAC has considerable concerns about this proposal. More or less the entire site will be developed if this proposal and the linked application 2017/1853/P are consented. This will constitute over-development in a very sensitive part of the Highgate Conservation Area very near the MOL of the Heath. It will also urbanise the Close. The design is out of character with its surroundings with a very over-dominant feature in the 'tower-like' structure surrounding the front door. Finally the potential for the damage to the privacy of adjoining properties by over-looking from the roof terraces at second floor level and the very large windows on the rear elevation is quite unacceptable. Both applications must be refused.,
