I am a local business man and I am
supporting the centre, it helps
for the community for different
issues, such as prayer space,
homework club, elderly gathering,
women classes, and many other
issues, which is vital for the
local community.

my children use this Centre
as a supplementary school
we found it very useful
and improved their education.

To include the Centre's services
a prayer facility is also useful
to protect the users culture.
