Do you **object** to the planning proposal? YES or NO

Do you **support** the planning proposal? YES or NO

Write your reasons here:

I would like to object for the following reasons -

There will be a drastic light reduction into neighbouring flats and surrounding buildings.

It will cause noise pollution to the surrounding area, all day, all year.

It is a small residential area / courtyard which should not be disrupted by the emergence of an office block.

There is a strong community spirit which will be seriously affected by this development.
