Dear Mr Councillor

I live in 16 Derby Lodge and I have objection to this new development at the rear 1-3 Derby Lodge due to following reasons.

**Reasons for Objection**

**RE: Reference 2016/6356/P**

1. As it will be higher than the existing building and would affect our privacy.
2. This particular area is sensitive area/conversation area and vulnerable people live here and due to this office block, people would be coming out and in all day long and in offices most of the people work late, so no peace.
3. The building work go on for 18 months and we have to put with this dust/noise etc. for such a long time.
4. There would be more vehicles and rubbish on the street
5. Once the building will be ready, Air-conditioning of the new office block would be very noisy.
6. Lights on all night

I shall be very grateful if you could look into this matter.

Thanks
