Do you support the planning proposal? YES or NO

Write your reasons here:

I strongly object to the planning proposal. This is a residential area, with a close knit community, and a 4 storey office block is entirely inappropriate. The proposed architecture with its large skylight windows will produce light pollution, all night and day, all year. It is also likely - actually inevitable - that it will produce noise pollution, in a community where there are both older people and children. Everyone has a right to some privacy and this proposed development will obliterate mine. The heritage and the identity of this place will be undermined by this development. I urge you very strongly to reject it.
