

Planning application reference: 2016/6356/P

Do you object to the planning proposal? YES or NO

Do you support the planning proposal? YES or NO

Write your reasons here:

It seems wrong to drop an office into a settled residential community. Light and noise pollution will inflict themselves on all of us, including older people + children. It is out of keeping with the area + the proposed design and function will fit ill with an established community. I urge you to reject the application
