Write your reasons here:

I have lived in Derby Lodge since 1970's and I don't want this office block to be built here.

This is where people live and it's the wrong place to put a big, ugly office block in our peaceful courtyard.

I will lose daylight + sunlight that comes into my home and my flat is sunny and light which is why I like living here.

Office workers will be able to look straight into my home and I will have no privacy.

I enjoy my quiet home and that will be spoilt by the office workers going out onto the terrace and talking loudly.

The electric glazing lights from the office windows will come into my bedroom and I won't be able to sleep.

We have a lot of problems with rubbish and litter in our streets and we don't need more rubbish bins being left out in the street attracting more rats.
