Subject: 51 Fairfax Road-Rubbish collection !

Hi John/Gary

We contacted the rubbish collection firm to ask them if they could stop their 5am collections for 51 Fairfax Road and reschedule for 8am or later (as per the planning condition), so the residents are no longer woken up by them. They said they need the instruction in writing. Could you contact them ? The last collection was on Friday at 5.20am !! Their telephone number is [REDACTED] The restaurant operator seems incapable of doing this.

Many thanks

regards

Ingrid
