Dear Buddy

WOLSEY MEWS

We write to confirm that we are engaged as consultant structural engineers on the above project to design the temporary works for the construction of the basement.

We confirm also that we will visit site during the works to ensure the work is progressing generally in accordance with the structural design intent.

There following two engineers from the firm working on the project:
Brian Constant BEng CEng MStructE MIEI
Thomas Ashton MEng CEng MStructE

I trust this is of assistance but please let me know if there's anything you need from us.

Yours sincerely

Brian Constant
Director
