Subject: Re: Enquiry from the public - (ref: 20950992) - 2017/2098/A - 12 Tottenham Street

Dear Matthias Gentet

Thank you for this reply.

My comments on the application are:

- given the nature of Whitfield Gardens and the fact that Gig's shopfront is already advertising itself the proposal from Gig's would not detract from the area.
- However, an advertisement should not be for anything other than Gig's, so it should not be a location for advertising in general
- And the advertisement should be static, no moving images.

Best wishes

Michael Romberg
