Proposed felling of semi-mature Atlantic Cedar in the English Gardens, Regents Park.

Hi Ben;

Ian Rodger gave me your contact details.

Would it be possible to meet on site in the English Gardens to discuss a proposed fell with you. The tree is healthy and of course if we wished to go ahead we would submit a 211 but felt an on site discussion to explain our case and proposed mitigation might be useful in advance of any such application.

I look forward to hearing from you.

Regards

Matt Steinmann | Arboricultural Officer [REDACTED]
