Colour Shade Guide

EuroMix Dry Mortar System

EuroMix – a constant on-site supply of coloured mortars with guaranteed mix proportions providing the highest level of consistency.

The colours below represent our standard range, with reference numbers shown for convenience. Each colour is available in **Light**, **Medium** and **Dark** shades. If the colour you require is not shown simply contact our technical department to arrange a trial mix to meet your colour specification.

- All pigments used in EuroMix Coloured Mortars conform to BS EN 12878.
- The colours illustrated are approximate shades and are intended as a guide only.
- As the appearance of the finished brickwork will depend on joint profile, brick type and local conditions, we will be pleased to supply a free sample of the specified mortar for use in a trial panel on site before final colour approval.
