Dear Matthias,

Thanks for sending these revisions. I'm happy to withdraw the PHCAAC's objection to the revised scheme.

Best wishes, and thanks for your work on this scheme.

Dear Richard Simpson

Please find attached the revised drawings (first 2) showing the new window slightly moved closer to the rear elevation of the host building. The staircase window has also been obscured.

I have attached the previous revision drawings so that you can see the amendments.

Your earliest attention to this would be much appreciated.

Many thanks
