Dear Sir/Madam

I would like to register an objection to the proposed removal of the Elder tree at the property in St Albans road..

The tree affords excellent privacy to all of us living at this address which butts onto the garden cited.

In particular my garden privacy would be greatly effected.

The Elder does not appear to be causing a problem other than blocking some light from the recently erected garden shed.

I attach a photo in an accompanying E mail so you can judge the amount of privacy the Elder affords to my garden and the proximity of the tree to the recently erected shed.

With thanks,

John Roche
