2 May 2017

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Householder Application Granted

Address:
29 Solent Road
London
NW6 1TP

Proposal: Erection of side infill extension and bi-folding doors in rear elevation.

Drawing Nos: Site Plan, 29/01, 29/02, 29/03, 29/04, 29/05, 29/07, 29/09, 29/10, 29/11, 29/12, 29/013, 29/16 and 29/17.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as

possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans:

Site Plan, 29/01, 29/02, 29/03, 29/04, 29/05, 29/07, 29/09, 29/10, 29/11, 29/12, 29/013, 29/16 and 29/17.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission:

The side infill extension is a modest addition to the property, which would be subservient to the host building. The extension would include matching London stock brick for the boundary wall and render to the rear with aluminium framed doors and windows. This is considered to be acceptable in the rear elevation.

The proposed side infill extension is not considered harmful in terms of impact on neighbouring amenity. The extension includes a sloped roof which pitches up from the boundary elevation which is below 2.4m, which is not materially higher than a wall that could be constructed under permitted development rights at 2m. The glazed sliding doors would face the garden of the main property and therefore loss of privacy would not result.

Press and site notices were displayed. No objections have been received prior to making this decision. The site's planning history was taken into account in coming to this decision.

As such, the proposed development is in general accordance with policy 2 (Design & Character, A.8-A.10 and A.12) of the Fortune Green and West Hampstead Neighbourhood Plan 2015, policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies and policies A1, D1 and D2 of the London Borough of Camden Draft Local Plan Submission Draft 2016. The proposed development also accords with the London Plan 2016 and the National Planning Policy Framework.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between

dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).

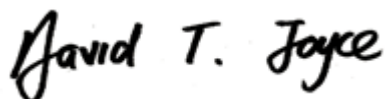

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 4 The emerging London Borough of Camden Local Plan is reaching the final stages of its public examination. Consultation on proposed modifications to the Submission Draft Local Plan began on 30 January and ended on 13 March 2017. The modifications have been proposed in response to Inspector's comments during the examination and seek to ensure that the Inspector can find the plan 'sound' subject to the modifications being made to the Plan. The Local Plan at this stage is a material consideration in decision making, but pending publication of the Inspector's report into the examination only has limited weight.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

You can find advice about your rights of appeal at:
