2017/2136/T	Coral Temple	34 Camden Sq NW1 9XA	20/04/2017 11:59:53	COMNOT	Strong local objection of which I am pronouncing that the destruction of said maple tree is unnecessary and against policy in conservation area. In this borough of Camden the pollution is very high and we must NOT get rid of trees on a whim. Strong objection from myself and colleagues.i
