2017/2192/A	Sanya Polescuk on behalf of Belsize Residents Associations	8a Belsize Court Garages	30/04/2017 17:58:50	OBJ	The scale, the location and the prominence of this advertisement, further exemplified by the illumination, is all incongruous with the neighbourhood. It would set a wholly inappropriate precedent for the area. There is a concern that it would also act as a dangerous distraction to the pedestrians on this very busy road.
