2017/2381/L	Mario Brown	18 College Lane NW5 1BJ NW5 1BJ	26/04/2017 12:33:35	COMMNT	I live close by on College Lane and take an interest in local planning applications. I support this application. Judging by the content of the design statement it has clearly been very carefully designed and the results look very positive. My main view of Grove End House is walking up from College Lane and past the front. Changing the ugly cement render on the south and removing the unsightly pipework on the front look like big improvements.
