Application ref	2017/2119/P
Address	Flat Basement and Ground Floor 135 King Henry's Road LONDON NW3 3RD
Planning Officer	Oluwaseyi Enirayetan

Proposal	Erection of a single storey rear extension/orangery, installation of 2x rooflights and alterations to rear facade fenestration at lower ground floor level following demolition of existing conservatory.
Objection	Yes
Observations	OBJECT These proposals mean that the rear of the house becomes submerged in development. This, combined with a huge glass roof, make the proposals very intrusive to all neighbours. There are too many architectural styles to the design which are out of character with the house. Eldred Evans Chair BCAAC
