Dear Jennifer

Both Cllr Lewis and I would like to object to the increase in parking spaces asked for in this application. Our policies suggest that developments should be car free, so this increase in unacceptable.

The entrance to the site is opposite La Sainte Union school where there are a lot of school children coming and going so more traffic would be detrimental to their health and safety.

The nearby Highgate Newtown Community centre development is to be car free. Both are close to the C11 bus route and tube/rail stations are within walking distance.

Best

Sally
