2017/2118/T	Sarah harvey and Regis Peyraque	47 Willes Road Kentish town Camden Nw5 3DN	09/05/2017 08:04:46	OBJLETTE R	<p>Trees in conservation areas over a certain size have a degree of protection. This particular tree has been there for at least 30 years and for the last fifteen years we have lived at this address with this tree.</p> <p>The tree only needs a good trim, which we're happy to contribute towards the cost.</p> <p>The benefit of having this tree include reducing noise, pollution, vis-à-vis, it also provides some shelter from the Sun as well as light pollution from the opposite houses and a non-negligible degree of privacy.</p> <p>It adds beauty and brings wildlife to an urban environment and therefore would it would be a significant loss to the whole neighbourhood if the tree was to be cut down.</p> <p>I believe there is a TPO on a neighbour's tree only a few doors up.</p>
