Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Variation or Removal of Condition(s) Granted Subject to a Section 106 Legal Agreement

Address:
18 Lancaster Grove
London
NW3 4PB

Proposal:

Variation of condition 2 (approved plans) of planning permission 2014/2811/P dated 17/03/2015 (for the erection of 2 storey single family dwellinghouse with basement), namely additional rear dormer, removal of pediment and alterations to dormer windows at the rear and glazing to front lightwells.

Drawing Nos: Superseded: 5754/PL/06 C; 5754/PL/07 C; 5754/PL/08 C; 5754/PL/09 C; 5754/PL/10 C

Revised: 5754/PL/06 F; 5754/PL/07 F; 5754/PL/08 F; 5754/PL/09 F; 5754/PL/10 F

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 For the purposes of this decision, condition no.2 of planning permission 2014/2811/P shall be replaced with the following condition:

REPLACEMENT CONDITION 2

The development hereby permitted shall be carried out in accordance with the following approved plans: Site location plan; 5754/PL/12 C; 5754/PL/11 C; 5754/PL/06 F; 5754/PL/07 F; 5754/PL/08 F; 5754/PL/09 F; 5754/PL/10 F; 5754/PL/03 E; 5754/PL/02 C; Code for Sustainable Homes Pre-Assessment Report dated 18/03/2014; Lifetimes homes statement (appendix C of design and access statement); Basement impact assessment rev A dated 14/6/13; Geotechnical investigation dated 7/6/13; Interpretive Report on site investigation dated Sept 08; Energy statement dated April 2014.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 2 The lifetime homes features and facilities, as indicated on the drawings and documents hereby approved shall be provided in their entirety prior to the first occupation of any of the new residential units.

Reason: To ensure that the internal layout of the building provides flexibility for the accessibility of future occupiers and their changing needs over time, in accordance with the requirements of policy CS6 of the London Borough of Camden Local Development Framework Core Strategy and policy DP6 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The first floor windows on the western elevation, adjacent to 16 Lancaster Grove, shall be fitted with obscure glazing and fixed shut to a height of 1.8 metres above the internal finished floor level, prior to the first occupation of the dwelling house, and shall be retained and maintained in that condition thereafter.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 4 Notwithstanding the provisions of Article 3 of the Town and Country Planning (General Permitted Development) Order 2015 or any Order revoking and re-enacting that Order, no development within Part 1 (Classes A-H) of Schedule 2 of that Order shall be carried out without the grant of planning permission having first been obtained from the local planning authority.

Reason: To safeguard the visual amenities of the area and to prevent over development of the site by controlling proposed extensions and alterations in order to ensure compliance with the requirements of policies CS14 and CS5 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 5 A sample panel of the facing brickwork demonstrating the proposed colour, texture, face-bond and pointing shall be provided on site and approved in writing by the local planning authority before the relevant parts of the works are commenced and

the development shall be carried out in accordance with the approval given. The sample panel shall be retained on site until the work has been completed.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 6 Prior to the first occupation of the dwelling hereby approved, full details of hard and soft landscaping and means of enclosure of all un-built, open areas shall be submitted to and approved by the local planning authority in writing. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To ensure that the development achieves a high quality of landscaping which contributes to the visual amenity and character of the area in accordance with the requirements of policies CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 7 All hard and soft landscaping works shall be carried out in accordance with the approved details by not later than the end of the planting season following completion of the development. Any trees or areas of planting which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced as soon as is reasonable possible and, in any case, by not later than the end of the following planting season, with others of similar size or species.

Reason: To ensure that the landscaping is carried out within a reasonable period and to maintain a high quality of visual amenity in the scheme in accordance with the requirements of policies CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 8 Before the development commences, details of secure and covered cycle storage area for 2 cycles shall be submitted to and approved by the local planning authority. The approved facility shall be provided in its entirety prior to the first occupation of the new dwelling, and permanently retained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy CS11 of the London Borough of Camden Local Development Framework Core Strategy and policy DP17 of the London Borough of Camden Local Development Framework Development Policies.

- 9 All trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected from damage in accordance with the protection details approved in connection with

2016/2339/P on 21/09/2016.

Reason: To ensure that the development will not have an adverse effect on existing trees and in order to maintain the character and amenity of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

- 10 Any subsequent change or reappointment to the chartered engineer approved in connection with 2016/2337/P on the 24/06/2016 shall be confirmed forthwith for the duration of the construction works.

Reason: To safeguard the appearance and structural stability of neighbouring buildings and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Development Policies and policy DP27 (Basements and Lightwells) of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Reasons for granting permission.

The implementation of planning permission 2014/2811/P has commenced. The proposed alterations to the approved design of the building would be relatively minor. These include the omission of the pediment at the rear, the replacement of a hipped roof with a flat roof to the two rear dormers and the replacement of the railing around the front lightwell with glazing. These alterations would not significantly alter the appearance of the proposed building and so would be acceptable. The omission of the railing would improve the appearance of the host property.

The proposal also includes an additional dormer which would be located centrally between the two existing dormers. The size and detailed design of the dormer is acceptable and in accordance with CPG1. The addition would not have a detrimental impact on the amenity of any neighbouring occupiers or residents.

The planning and appeal history of the site has been taken into account when coming to this decision. One objection was received prior to making this decision and was duly taken into account.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 2 This approval under Section 73 of the 1990 Act effectively varying the relevant condition of the previous planning permission is subject otherwise to the same

terms, drawings, conditions (and obligations where applicable) as attached to the previous planning permission. This includes condition 1 providing for a 3 year time period for implementation which for the avoidance of doubt commences with the date of the original decision (and not this variation).

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
