Good morning Barry,

Hope your well,

I'm just emailing you in regards to our planning application 2017/2135/T.

Our client has now requested for a Large Sycamore (T4) to be felled and grinded out. I have attached a copy of the update site map to the email.

Please let me know if this can be added to the current application or if I will need to do a new application for T4.

I look forward to hearing from you.

Kind regards,

**Scott Cook**
