10 May 2017

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted Subject to a Section 106 Legal Agreement

Address:
**Land Adjacent to
35 York Way
London
N7 9QF**

Proposal:

Construction of a four storey building to provide nine self-contained flats (2 x 1 bed, 2 x 2 bed, 4 x 3 bed and 1 x 4 bed) (Use Class C3) following demolition of the existing single storey garages.

Drawing Nos: (Prefix: (03)) 10 Rev A; 11 Rev A; 12 Rev L; 13 Rev K; 15 Rev G; 16 Rev G; 17 Rev G; 18 Rev G; 19 Rev C; 20 Rev C.

Reports: Cover Letter prepared by Nexus Planning dated 5th July 2016; Construction Management Statement; Daylight, Sunlight & Overshadowing Report prepared by Syntegra Consulting dated April 2016; Planning Statement prepared by Nexus Planning dated July 2016; Design & Access Statement prepared by Box Architects dated September 2015; Energy Strategy Report prepared by Syntegra Consulting dated November 2016 Rev C.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans (Prefix: (03)) 10 Rev A; 11 Rev A; 12 Rev L; 13 Rev K; 15 Rev G; 16 Rev G; 17 Rev G; 18 Rev G; 19 Rev C; 20 Rev C.

Reason:

For the avoidance of doubt and in the interest of proper planning.

- 4 The approved Josta two-tier cycle parking facilities shall be provided in their entirety prior to the first occupation of any of the new units, and permanently retained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy CS11 of the London Borough of Camden Local Development Framework Core Strategy and policy DP17 of the London Borough of Camden Local Development Framework Development Policies.

- 5 Detailed drawings, or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the local planning authority before the relevant part of the work is begun:

a) Details including sections at 1:10 of all windows (including jambs, head and cill), ventilation grills, external doors, balustrades and gates;

b) Manufacturer's specification details of all facing materials (to be submitted to the Local Planning Authority) and samples of those materials (to be provided on site).

c) All external lighting.

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 6 Detailed drawings, including front, side and rear elevations, clearly indicating all movement joints for all facing brickwork shall be submitted to and approved in writing by the local planning authority before the relevant part of the work is begun.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 7 Prior to commencement, detailed plans showing the location and extent of photovoltaic cells to be installed on the building shall have been submitted to and approved by the Local Planning Authority in writing. The measures shall include the installation of a meter to monitor the energy output from the approved renewable energy systems. The cells shall be installed in full accordance with the details approved by the Local Planning Authority and permanently retained and maintained thereafter.

Reason: To ensure the development provides adequate on-site renewable energy facilities in accordance with the requirements of policy CS13 of the London Borough of Camden Local Development Framework Core Strategy and policy DP22 of the London Borough of Camden Local Development Framework Development Policies.

- 8 Prior to commencement of any development other than site clearance & preparation details of the feasibility of rainwater recycling proposals should be submitted to the local planning authority and approved in writing. The development shall thereafter be constructed in accordance with the approved details.

Reason: To ensure the development contributes to minimising the need for further water infrastructure in an area of water stress in accordance with policies CS13 of the London Borough of Camden Local Development Framework Core Strategy, DP22 and DP23 of the London Borough of Camden Local Development Framework Development Policies.

- 9 The development hereby approved shall achieve a maximum internal water use of 105 litres/person/day, allowing 5 litres/person/day for external water use. Prior to occupation, evidence demonstrating that this has been achieved shall be submitted to and approved by the Local Planning Authority.

Reason: Reason: To ensure the development contributes to minimising the effects of, and can adapt to a changing climate in accordance with policies CS13 of the London Borough of Camden Local Development Framework Core Strategy and DP22 of the London Borough of Camden Local Development Framework

Development Policies.

- 10 Prior to occupation of the hereby approved development, details of the location, design and method of waste storage and removal including recycled materials, shall be submitted to and approved by the local planning authority in writing. The facility as approved shall be provided prior to the first occupation of any of the new units and permanently retained thereafter.

Reason: To ensure that sufficient provision for the storage and collection of waste has been made in accordance with the requirements of policy CS18 of the London Borough of Camden Local Development Framework Core Strategy and policies DP26, DP28 and DP12 of the London Borough of Camden Local Development Framework Development Policies.

- 11 All new dwellings, as indicated on plan number/s hereby approved shall be designed and constructed in accordance with Building Regulations Part M4 (2), evidence demonstrating compliance should be submitted to and approved by the Local Planning Authority prior to occupation.

Reason: To ensure that the internal layout of the building provides flexibility for the accessibility of future occupiers and their changing needs over time, in accordance with the requirements of policy CS6 of the London Borough of Camden Local Development Framework Core Strategy and policy DP6 of the London Borough of Camden Local Development Framework Development Policies.

- 12 No development shall take place until full details of hard and soft landscaping and means of enclosure of all un-built, open areas have been submitted to and approved in writing by the Council. Such details shall include:

- scaled plans showing all existing and proposed vegetation and landscape features
- a schedule detailing species, sizes, and planting densities
- location, type and materials to be used for hard landscaping and boundary treatments
- specifications for replacement trees (and tree pits where applicable), taking into account the standards set out in BS8545:2014.
- details of any proposed earthworks including grading, mounding and other changes in ground levels.
- a management plan including an initial scheme of maintenance

The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To enable the Council to ensure a reasonable standard of visual amenity in the scheme in accordance with the requirements of policy CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 You are advised that this proposal will be liable for the Mayor of London's Community Infrastructure Levy (CIL) and the Camden CIL as the additional floorspace exceeds 100sqm GIA or one unit of residential accommodation. Based on the information given on the plans, the Mayor's CIL Charging Schedule and the Camden Charging Schedule, the charge is likely to be £36,300 (726sqm x £50) for the Mayor's CIL and £363,000 (726sqm x £500 using the relevant rate for uplift in that type of floorspace) for the Camden CIL.

This amount is an estimate based on the information submitted in your planning application. The liable amount may be revised on the receipt of the CIL Additional Information Requirement Form or other changes in circumstances. Both CIL's will be collected by Camden after the scheme has started and could be subject to surcharges for failure to assume liability or submit a commencement notice PRIOR to commencement and/or for late payment. We will issue a formal liability notice once the liable party has been established. CIL payments will also be subject to indexation in line with the construction costs index.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

You can find advice about your rights of appeal at:
