2017/2490/P	Francoise Findlay Chairman Elsworthy Residents Association	1 Lower Merton Rise NW33RA	11/05/2017 19:54:18	OBJEMAIL	my objection to any new telephone kiosk is the same as that I made in connection with the recent multiple applications for new telephone boxes by another company Maximus. there are already numerous telephone boxes at Swiss Cottage on both sides of the junctions and none of them are now used in this era of mobile phones. Camden refused Maximus all their applications and their objections that related to pedestrian access, street clutter etc. are relevant to this application and therefore it should be rejected also.
2017/2490/P	Anne Marie Williams	32 Belsize Park Gardens	09/05/2017 09:38:24	OBJNOT	I object strongly. In this day and age everyone has mobile phones. If a telephone kiosk was not required in this area to date then it is certainly not needed now. It is simply an underhand way to display unnecessary advertising. We have enough street clutter.
