2017/2489/P	David Reed	Flat 2 56 Eton Avenue London NW3 3HN	09/05/2017 10:46:22	OBJEMAIL	PLEASE reject this application. Their map shows there are two Phone boxes less than 3 metres away from the new one proposed, along with a Pillar box and Bus shelter, we do not need any more street furniture here. In addition, about 10m north along the same side of the Finchley Road there are two DISUSED phone boxes, why not replace them? Please reject this unnecessary box, there is already too much street clutter here.
2017/2489/P	Francoise Findlay Chairman Elsworthy Residents Association	1 Lower Merton Rise NW33RA	11/05/2017 20:07:19	OBJEMAIL	my comments are identical to those objecting to 2017/2490/P. These new boxes are unnecessary in that there are already unused phone boxes and it increases street clutter. Camden refused Maximus their telephone boxes and must also refuse these latest applications
2017/2489/P	Anne Marie Williams	32 Belsize Park Gardens	09/05/2017 09:40:00	COMMNT	I object strongly. In this day and age everyone has mobile phones. If a telephone kiosk was not required in this area to date then it is certainly not needed now. It is simply an underhand way to display unnecessary advertising. We have enough street clutter.
