2017/2381/L	John Chamberlain	11 Grove Terrace London NW5 1PH	10/05/2017 16:00:32	SUPPRT	I live further up the street and I support this application. The applicants have taken a lot of trouble to address local concerns and the design will be a huge improvement on the current mish-mash of styles and materials. They obviously take pride in the building and the planned improvements will enhance the building and the surrounding neighbourhood.
