2017/2305/T	Consuelo Phelan, hon. Tree Officer, BRA.	54 Belsize Park NW3 4EE	10/05/2017 01:42:22	COMMNT	It seems a shame to remove this tree unless an enforceable undertaking can be obtained to replace it with a reasonably sized alternative, i.e., not a sapling which will take many years to grow and provide similar amenity to birds and wildlife and make a positive contribution to the appearance of the street.
