2017/2174/P	Paul McNamara	Groundfloor Flat 12 Glenloch Road London NW34BU	11/05/2017 07:54:22	COMMNT	Will this proposal require access to the rear garden which I own. In addition is scaffolding required as this will impact on myself directly. It is unclear from the plans whether all work is contained within flat 2 or whether external access is required e.g. My garden.
