2017/1775/A	James Goss	Flat 63 Chamberlain House Phoenix Road NW1 1EU NW1 1EU	13/05/2017 13:59:09	OBJ	A huge sign at the bottom of the road will be a hideous eyesore on the community. 6 metres by 4 metres! That's enormous.  Especially horrified at the hypocritical idiocy of advertising "Green Camden" with a giant illuminated sign. I refuse to believe that's going to be carbon neutral.
