| 2017/1951/P | steinman | 60 tudor Close Belsize Avenue NW3 4AG | 11/05/2017 10:50:47 | COMMNT | i object to this planning application as I believe it will interfere with the quiet enjoyment of the residents of the block Tudor close . the issue of light issue & Privacy to the residents of Tudor close need to be taken into account |
| 2017/1951/P | Lef Miguel Martinez | Flat B. 48 Glenloch Road London NW34DL | 11/05/2017 23:47:05 | SUPC | Dear Sir / Madam, Please provide timescale programme for the work scheduled. Operating hours should be agreed in advance with neighbours and monitored appropriately to minimize disruption in the building, such as noise - disturbance, dust, smells, fumes, hazards etc. Quietness in the building should be kept to the highest standards possible at all times - inline with current conditions. Thank you. Kind regards. |
