#### Informative(s):

- 1 You are reminded that this certificate solely relates to the change of use as

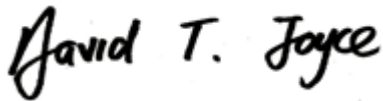

described in the First Schedule above and does not grant either planning permission or listed building consent for any external or internal alterations either described or shown on the approved drawings/documents attached to this Certificate.

- 2 The granting of this certificate is without prejudice to, and shall not be construed as derogating from, any of the rights, powers, and duties of the Council pursuant to any of its statutory functions or in any other capacity and, in particular, shall not restrict the Council from exercising any of its powers or duties under the Town and Country Planning Act 1990 as amended. In particular your attention is drawn to the need to obtain listed building consent for any internal or external works.
