Proposal	Erection of mansard roof extension and installation of balustrade at roof level; replacement of existing two storey rear extension with single storey extension with terrace above; single storey side infill extension between existing detached garage and main house; removal of side extension; and other external alterations
Objection	Yes
No Objection	Yes
Observations	This overlooks Grove Terrace Mews and so could impinge on the privacy and tranquility of these back gardens. We object to the roof lights and large expanse of patio doors both in the rear extension and the back of the garage which will cause light pollution. We also object to the roof terrace which will reduce privacy to neighbouring properties and possibly cause noise pollution as well.
