
Conservation Area Advisory Committee

Advisory Committee	Dartmouth Park
Application ref	2017/1353/P
Address	Chester Court Lissenden Gardens London NW5 1LY
Planning Officer	Robert Lester
Comments by	25 May 2017
Proposal	Installation of 6no. antennas within 3no. glass-fibre reinforced plastic (GRP) enclosures, 3no. equipment cabinets and ancillary works thereto.
Objection	Yes
Comment	Yes
Observations	The cabinets would be almost 2 m high, and would be clearly visible from a number of locations as evidenced in the photomontages. They would not be consistent with the existing roofscapes around the site, which are Victorian/Edwardian chimneys. They would be obtrusive and would detract from the character of the conservation area and would be visible from Hampstead Heath. Further exploration should be carried out to see if they can be sited away from the roof edges and be better disguised possibly as chimneys.
