2017/1892/P	Patricia Kelion	5 Perrins Lane Hampstead London NW3 1QY	16/05/2017 11:10:12	COMMNT	I object to this further basement application given the noise and further environmental disruption it will cause. There has been no report submitted as to the effect of this basement . I am the owner of 4 Old Brewery Mews , Hampstead which backs on this building and am concerned about this matter and lack of consultation . The applicant already has permission for an extension but now wants to build a basement . There are already too many basement applications in Hampstead and the consequences of all this foundation/ digging work is unknown as well as the effects on neighbouring buildings
