2017/1981/P	The Heath and Hampstead Society	19 South Hill Park Gardens NW3 2TD	17/05/2017 14:30:26	COMMNT	<p>This application should be refused.</p> <p>This part of Hampstead is an unspoilt and historic remnant.</p> <p>A long-standing policy of Camden is that no parking should be permitted in front Gardens of a Conservation Area and particularly in front of a fine Listed House - and adjacent to the extremely fine Entrance - Gates (also listed) of Fenton House.</p> <p>Any car parked here would be an eye-sore - and regardless of the Applicants claim that it will only be used for Visitors, but, in the future, when the ownership changes, the parking place will inevitably be permanently in use.</p> <p>Any Approval for this car-park would be a serious mistake and detract from the quality of this special part of the Conservation Area.</p> <p>David Castle</p>
