2017/2383/P	Anne van Mansvelt	flat 2 Grove end house 150 Highgate road NW51PD London	16/05/2017 11:53:44	SUPPRT	Very nice and well suited proposal, well done!
2017/2383/P	susanna jacobs	10 Lupton Street Lupton Street NW5 2HT NW5 2HT	17/05/2017 15:59:05	COMMNT	I often walk past Grove End House on the way to the Heath and have always admired the beautiful garden. I am familiar with the Flat 6 in it's present layout and feel the new scheme could really revitalise the space that is currently a curious jumble of rooms and ceiling heights. The scheme is sensitive to both the original building and to the surroundings. I feel the improvements will enhance and preserve this building for my years to come.
2017/2383/P	Alison Huntington	86a Burghley Road NW5 1UN	17/05/2017 21:30:47	COMMNT	I just wanted to lend support to this plan. Kelly and Michael Pawlyn clearly love this building and the care and restoration work they are planning along with their extremely discreet extension will enhance both the appearance of Grove House (removing and replacing the historical discrepancies) and its longevity. The plan seem to me an ideal combination of historical sensitivity and contemporary vision - I look forward to watching it progress.
2017/2383/P	Kay Hughes RIBA FRSA	7 Ravenswood Glenhurst Avenue London Nw5 1pu	16/05/2017 18:08:20	SUPPRT	This is a modest and thoughtfully designed extension within the Dartmouth Park Conservation area. It will, in my opinion, improve a dilapidated building and rectify previous poorly implemented modifications. It is wonderful to see these buildings updated while still retaining their character in this way. This will improve an unloved corner and enhance the area. I fully support the proposal and its design and design intent.
2017/2383/P	Harriet Evans	1 Grove End House 150 Highgate Road London NW5 1PD	16/05/2017 09:37:52	SUPPRT	As a long-term resident of Grove End House, I'm very happy with the proposed extension and alterations, and with the applicants' efforts to engage in full discussion with me and others in the house about their plans
