Recommend No Archaeological Requirement

Thank you for your consultation dated 27 April 2017.

The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice to boroughs in accordance with the National Planning Policy Framework and GLAAS Charter.

Having considered the proposals with reference to information held in the Greater London Historic Environment Record and/or made available in connection with this application, I conclude that the proposal is unlikely to have a significant effect on heritage assets of archaeological interest.

Although the site lies within an archaeological priority area, it is clear for the submitted documents that the proposed development is small in scale and is

unlikely to result in a significant archaeological impact at this location.

No further assessment or conditions are therefore necessary.

Please note that this response relates solely to archaeological considerations. If necessary my Historic Buildings and Areas colleagues should be consulted separately regarding statutory matters.
