<i>My enquiry is</i>	To whom it may concern, We have just been informed that our neighbours, at number 12 North End, NW3, are planning to extend their house over their garage and this will severely block our bedroom window and the natural light to the bedroom. Accordingly, we object to their plans. They have told us that they have already received planning permission but I could not find their application on your website. Please could you let us know whether they have indeed submitted an application and how we can formally object to it? Many thanks and kind regards, Daphna Preiskel 10 North End
